

- 1: Firework shoot up. 2021 moves on side to another. Use 3D animation/imaging libraries.
- 2: Voiceover comes in, says "How many ppl cried..." Fireworks turn to raindrops.
- 3: Voiceover—"maybe... horizon." Sun rises above the hill. Sun face is baby's face.

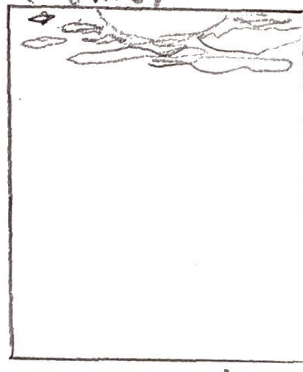

- 4: Voiceover—"Or maybe... then." Scene turns around, to fine dark sea. Volcano billowing smoke that covers sky.
- 5: Voiceover—"Or maybe... light." Scene turns around. Object is slowly blocking the sun. The Subject from Munch's The Scream is on the object face.

(If Yes)

(If No)

(If Fire)

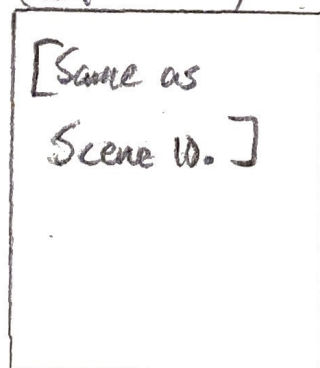

- 6: Voiceover—"Did you... Jerry?" User chooses yes or no. Options depend on time, as circle descends.
- 7: Voiceover—"What did... if anything?" Circles become bigger, and level, and text changes.

(If Fire)

(If Water)

- 8: Voiceover—"okay." Then, the sound of being immersed into the sea. Animate scene underwater.
- 9: Fire crackling sounds as fire flares towards us.

10: Beach scene (top-down), where sand and a dying wave meet. Wave washing up shore sounds.

11: Same as Scene 10.
