

Ideas for Final Project

1. (Option 1 - Persuasion) Why the Latinx community should reckon with systemic racism, especially internally.
2. (Option 4 - Choose your own Adventure) How many people cried on New Year's Day of 2021, and for what reason(s)? And does this crying ever end?
3. (Option 2 - High Score) A game where your divine whims end up creating the third dimension's platonic solids.
